

Marquette-Adams Telephone Cooperative is considering bringing high speed Internet, television and voice line capability to your home or business over state-of-the-art fiber optic cable in the fall/winter of 2016. Our goal of providing you with our superior services can be achieved with a 45 percent commitment to our Cooperative from the City of Adams' citizens. To commit your home or business to Marquette-Adams' fiber expansion project, you will be responsible for the following items:

- ✓ Signed Commitment Agreement
- ✓ Commitment payment of \$100
- ✓ Completed Customer Application (Minimum 1 year of Service)

The payment of \$100 will be applied as a credit to your Marquette-Adams account, and your 1-year commitment will begin upon installation. Your early commitment guarantees fiber burial to your home at no cost to you should 45 percent community commitment be reached.

If less than 45 percent of the City of Adams commit to fiber-based services from Marquette-Adams, the proposed expansion to your area will be cancelled and your \$100 will be refunded.

The deadline to commit is Tuesday, June 7th 2016. On that date, Marquette-Adams will assess the number of commitments received and make a determination about whether or not to proceed with the proposed expansion project.

Please do not hesitate to contact your Marquette-Adams representative with any questions, or call our office at (608)472-5111. Feel free to visit our website at www.MarquetteAdams.com to check out our current service offerings as well as our *Connect Adams Initiative* page.

IMPORTANT: If for any reason you cancel your Marquette-Adams service(s) prior to burial completion, your \$100 deposit will be forfeited. Also, if you decide to cancel your Marquette-Adams service(s) prior to the expiration of your 1 year contract, you will be penalized an early termination fee of \$150. Should you choose not to commit to Marquette-Adams service(s) by the June 7th deadline, any service commitment after that date will result in a charge of \$100 that will be applied to construction costs, and not as an account credit.

For your convenience, Marquette-Adams will accept payment by check or card. Simply fill out the form below, enclose your payment, and return with your application for Marquette-Adams service(s) in the provided postage paid envelope.
