The email 'info @maadtelco.com' will be the primary email registered under your account. By clicking "Create Account" you are stating that you are the account holder and aged 18 or older. This account will control any Parental Controls where applicable.

Create Account

Cancel

- This will send an email to the email address you provided. Go to your email and finish your registration.

Registration

Thank you for registering. An email was sent to "sjilek@maadtelco.com" with an activation link. You will need to click on this link to complete the registration process. To help ensure delivery, please add registration@watchtveverywhere.com to your address book or safe senders list for the email address you registered.

Account Activation

Your account is now activated.

- Once you click the link in your email you can log in and begin to stream live tv through any of the listed channels.

- NOTE: you click on the channel you want to watch. You'll be taken to the app store to download the app and may need to login to the network app using your Watch TV Everywhere Login.
- Example: Animal Planet. When you click the icon, you will see in the upper right corner "Link TV Provider". Clicking that you must search "Marquette-Adams Telephone Cooperative" again and log in using your WTVE email and password to gain access to everything available with our subscriptions. This channel, in this case Discovery, allows you to explore all the networks from that provider.
- Each provider will require you to log in.
- Please be aware that networks are subject to change.

Logged in with a Primary account.
