

Economic Grant Program

Purpose

The Board of Directors of Marquette-Adams Telephone Cooperative has created an economic grant program to support the growth and development of businesses within our service area. This initiative is aimed at helping small local businesses expand, supporting the establishment of new businesses, and fostering opportunities that contribute to the overall economic growth of the region. The program seeks to drive positive changes, create new opportunities, and enhance the long-term prosperity of both the area and the cooperative.

General Criteria
